When

- Testing – mid June 2016
- Launch – Sep 2016

Import course list

1 – start session as usual

Select main functions

Start session

Read Reports

Edit Question Bank

Import course list

2– continue by starting a new session

The screenshot shows the uReply web application interface. At the top left is the uReply logo. At the top right, the user's name 'kfalanko' and a 'Log' button are visible. The main heading is 'Select main functions'. Below this, there are several buttons: 'Start session' (highlighted with a red box), 'Read Reports', and 'Edit Question Bank'. A modal dialog box is open in the foreground, titled 'Start Session With'. It contains two buttons: 'Start a session with a new session number' (highlighted with a red box) and 'Continue your last session (5347)'. The bottom of the image features a decorative border with various icons representing people, a car, and a lightbulb.

Import course list

3 – refresh the course list

My Course List in Blackboard

Select your Blackboard course below and submit OR skip to continue

Update List

- edc_sandbox_kfalanko
- kfalanko_course1

Submit

Skip

Import course list

4 – wait for the system to load

The screenshot shows a web interface for managing a course list. At the top, the title "My Course List in Blackboard" is displayed in green, with a sub-instruction: "Select your Blackboard course below and submit OR skip to continue". A green "Update List" button is positioned to the left of a large, light-green placeholder for a user profile. Below this is a large white rectangular area containing a red-bordered box with the text "LOADING.." and a circular refresh icon. At the bottom of the page, there are two buttons: "Submit" and "Skip".

My Course List in Blackboard

Select your Blackboard course below and submit OR skip to continue

Update List

LOADING..

Submit Skip

Import course list

5 – select the course you are teaching

My Course List in Blackboard

Select your Blackboard course below and submit OR skip to continue

Update List

- kfalanko_course1
- edc_sandbox_kfalanko
- SandBox_alan

Submit **Skip**

Export Grade

1 – Go to the report page

The screenshot shows the uReply interface. At the top left is the uReply logo. At the top right, there is a user profile icon for 'kfalanko' and a 'Logout' button. Below the header, the text 'Select main functions' is displayed in green. Underneath, there are three buttons: 'Start session' (with a person icon), 'Read Reports' (highlighted with a red border), and 'Edit Question Bank'.

Export Grade

2 – select the right session for grade export

The screenshot shows the uReply interface. At the top left is the uReply logo. At the top right, the user is identified as 'kfalanko' with a 'Logout' button. The main heading is 'Choose Report'. Below this is a table with the following data:

Blackboard CourseID	Session ID	Qs	Avg Response	Session Time	Last Integration Time	Export result to Blackboard
edc_sandbox_kfalanko	1234	3	6.8	2015-09-25 09:35:27	2015-11-11 09:50:12	Integration
edc_sandbox_kfalanko_1	1425	4	3.5	2015-09-24 11:20:29		Integration

Export Grade

3 – wait for few seconds

The screenshot shows the uReply interface. At the top left is the uReply logo. At the top right, the user 'kfalanko' is logged in, with a 'Logout' button. The main heading is 'Choose Report'. Below it is a table with the following data:

Blackboard CourseID	Session ID	Qs	Avg Response	Session Time	Last Integration Time	Export result to Blackboard
edc_sandbox_kfalanko	1234	3	6.8	2015-09-25 09:35:27	2015-11-11 09:50:12	Integration
edc_sandbox_kfalanko_1	1425	4	3.5	2015-09-24 11:20:29		Integration

A loading spinner is visible in the center of the page, indicating a delay in the process.

Export Grade

4 – let the system know your option

SESSION: 1234

Submit

CourseID: edc_sandbox_kfalanko

Replace existing column(if exists) in Grade Center :

- Yes
 No

Check the box to integrate the items with Blackboard Grade Centre

- Number of Total Question
 Number of Total Mark
 Correct Percentage

Individual Question

Question1 What's your name

Mark

Correct Answer

Student Answer

Export Grade

6 – check the Result of the export
