2. For general access outside of office hours: click on the “**Win10 (Non office hours)**” option. It will only be available when the lab is physically closed.

If you have reserved a PC: the “**Win10 (Reserved)**” option will be available to you.

Remote Desktop Access Instructions

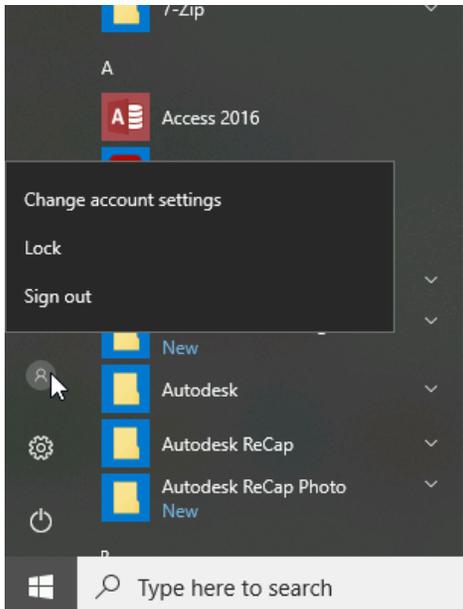

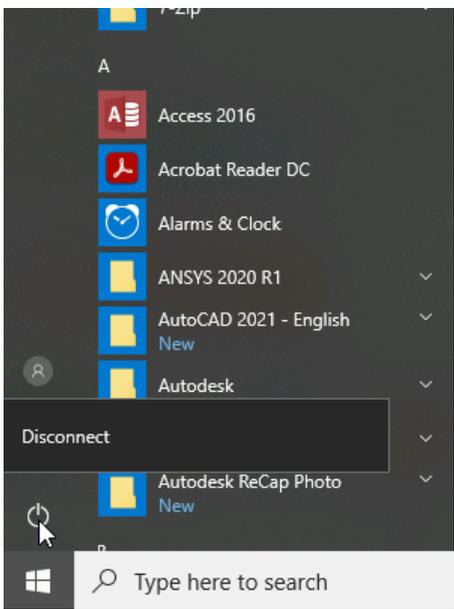

3. After successful log-in, you should be able to see the basic start up screen.

4. When you are finished with your session:

Remote Desktop Access Instructions

<p><u>For general access:</u> Go to the user icon and select 'Sign out' only to log out of remote desktop.</p>	<p><u>If you have reserved a PC:</u> Go to the power icon and use 'Disconnect' to log out of a remote session. This will ensure that your applications remain open the next time you log into the computer again.</p>
 <p>A screenshot of the Windows Start menu. The user icon is selected, and a context menu is open showing options: 'Change account settings', 'Lock', and 'Sign out'. Below the menu, several application icons are visible, including Autodesk and AutoCAD.</p>	 <p>A screenshot of the Windows Start menu. The power icon is selected, and a context menu is open showing the 'Disconnect' option. Other application icons like Acrobat Reader DC and ANSYS 2020 R1 are also visible.</p>
