Prof. Tin-Yau Tam

University of Nevada, Reno, USA

Topic

Math & Stat Graduate Programs at the University of Nevada, Reno

Date | Time

23 July 2024 (Tuesday) | 11:00 am – 12:00 nn (HK Time)

Venue:

M301

Abstract

In this talk, I will introduce the Master's and Ph.D. programs in Mathematics and Statistics at the University of Nevada, Reno. Additionally, I will discuss the Graduate Teaching Assistantship opportunities and the various resources available to graduate students. I will also share my personal experiences in the United States, offering insights and practical advice. This is a non-technical talk, and students are especially encouraged to attend and bring their questions.
