Explanation of the appropriateness of the assessment methods in assessing the intended learning outcomes:

Oral Presentation

Students are expected to work in small groups to prepare and present their work on analyzing a selected topic. They are required to show their own understanding and analysis of the issues concerning the transformation of culture and tradition under the currents of modern civilization, the formation of the modern self, and the problem of indigenization in human services. Moreover, they are expected to lead discussions and debates as well as taking part in questions and answers. The lectures will provide a platform for participatory learning where they can deepen their understanding on various dimensions of the modern self.

Essay

Students are required to submit an individual term paper on a selected topic. This enables the students to show their own understanding and analysis of the issues concerning the transformation of culture and tradition under the currents of modern civilization, the formation of the modern self, and the problem of indigenization in human services.
