<p>This subject consists of lectures and seminars. Seminar presentation provides a platform for students to take the lead in investigating a significant issue in social service administration with his/her classmates under the guidance of a tutor with rich practice knowledge and experience. Feedbacks from the teacher and classmates will enlighten students to have deeper integration and more critical reflection over the administrative issues that they will face in the social work field.</p> <p>Individual Report is a summary and review of the students' knowledge and ability of analysis in a chosen area of administrative practice in social work.</p> <p>Reflection summary is an individual exercise for the student to think, rethink and reflect over the transformation of his own values, knowledge, and skills. This is also a demonstration of the student's deep understanding in the administrative issues and their relevancy to social work practice.</p>												

Student Study Effort Required	Class contact:	
	▪ Lecture & Workshop	26 Hrs.
	Other student study effort:	
	▪ Preparation for Seminar Presentation	16 Hrs.
	▪ Self Study	56 Hrs.
	Total student study effort	98 Hrs.
