#Double Fulfillment Subject - Students completing this DSR subject will meet the Cluster Area Requirements in Human nature, relations & development (CAR A), thus, they do not have to take a CAR A subject for which the DSR has already been fulfilled. However, they must take another 3-credit subject in any cluster area or free elective subject or DSR elective subject to make up the credit requirements.

@Double Fulfillment Subject - Students completing this DSR subject will meet the Cluster Area Requirements in Community, organization & globalization (CAR B), thus, they do not have to take a CAR B subject for which the DSR has already been fulfilled. However, they must take another 3-credit subject in any cluster area or free elective subject or DSR elective subject to make up the credit requirements.

^Double Counting Subject – Students may count up to 12 credits of DSR subjects towards the Secondary Major. Nevertheless, students must take at least 12 credits from their chosen Secondary Major in order to satisfy the residential requirement of the chosen Secondary Major. Students who have completed more than 12 credits of subjects that are eligible for double counting will need to apply for graduation and indicate the subjects intended for double counting. Notwithstanding the above, students must meet the minimum credit requirements of 132 credits. For APSS students, the maximum number of credits for double counting is 6 credits.
