- Attendance and Access Details

Attire Guidelines

- Casual attire—such as jeans, T-shirts, shorts, mini-skirts or mini-dresses, sneakers, and flip-flops—is **not permitted**.

Attire Guidelines

- Formal clothing is **required**, such as a dark suit with a white shirt and tie, or a dark skirt or pants paired with a white blouse.
- Please **wear formal shoes** such as **dress shoes** or **loafers**, and do not wear sports shoes or excessively high-heeled shoes.

Graduates wearing inappropriate attire will not be allowed to go on stage.

- Avoid displaying inappropriate behaviour, images or wording through clothing, banners, posters, or any other means that may cause offence or disturbance to others during the ceremony and/or on campus.
- Individuals who do not adhere to these protocols **WILL be required to leave** the Auditorium and/or the campus immediately.

- Make sure you receive the e-ticket for yourself and your guest(s) **at least 3 days prior** to the Congregation session. If you have any enquiries, please contact Cityline (Hong Kong) Ltd. at cs@cityline.com or Cityline Online Live Chat.
- The QR codes on the e-tickets can be used for both campus access and entering the event venue (i.e., Jockey Club Auditorium).
- Please bring your e-ticket and arrive **at least 60 minutes** before the scheduled time, as it may take some time for the large number of graduates and guests to enter the campus on the Congregation days.

- There will be a briefing about the presentation procedures before the commencement of the ceremony. Please check the required reporting time for your session from your e-tickets.
- Only graduates wearing the correct academic gowns will be presented on stage and arranged to join the group photo session after the Congregation session, if any. No gown will be provided on-site.
- Please note that by attending the Congregation physically, you grant The Hong Kong Polytechnic University the right to use photographs or audio/video recordings taken of you during the event for all Congregation-related activities, including sharing with external news media and vendors.
