

## **Updates on Admissions Arrangements in Response to the COVID-19 Outbreak**

With the prevailing of COVID-19 pandemic, our University continuously strives to address the health and safety concerns of students and, at the same time, to maintain the flexibility on our admissions arrangements.

We notice that some public examination providers have announced to either cancel their examinations or adopt alternative ways to assess students' performance. Given the unprecedented situation, we are committed to ensuring that flexibility has been exercised in our admissions arrangements during this challenging time.

PolyU will base on students' high school results, predicted or assessed grades/marks issued by the official examination providers, attained results in alternative public examinations and/or interview performance to admit good quality applicants.

Please refer to the following links for the latest announcement made by some of the public examination providers:

[ACT](#)

[College Board \(AP\)](#)

[College Board \(SAT\)](#)

[Cambridge International](#)

[Pearson](#)

[Ofqual](#)

[International Baccalaureate](#)

[IELTS](#)

[TOEFL](#)

[Educational Testing Service](#)

Applicants are most welcome to write to us ([ar.ug@polyu.edu.hk](mailto:ar.ug@polyu.edu.hk)) if they encounter any difficulty in fulfilling the admissions requirements.

During this difficult time, please stay healthy and observe personal hygiene as far as practicable.

The Hong Kong Polytechnic University
