Result Announcement - Outstanding BSE Alumni Award 2018

The Outstanding BSE Alumni Award, a biennial event organized by The Department of Building Services Engineering (BSE) of The Hong Kong Polytechnic University (PolyU), aims at giving recognition to outstanding alumni for their accomplishments in BSE professions and their contributions to the community. The 1st round selection of Outstanding BSE Alumni Award was organized in 2010, and it is now the 5th round selection for biennial Outstanding BSE Alumni Award 2018.

It is our pleasure to announce that Ir Dr Anthony Chi Wah Lo has been awarded as the Outstanding BSE Alumnus of 2018. Ir Dr Lo is a registered professional engineer in the Building Services, Energy, Environmental and Fire disciplines of the Hong Kong Institution of Engineers. He started his career in an international consulting firm, Parsons Brinckerhoff (Asia) Limited, where he gained extensive experience in building services, environment system design and project management in various buildings and infrastructural developments. He has special expertise in conducting research and engineering modelling.

Ir Dr Lo is currently Acting Director of Corporate Customer Experience of CLP Power. He is actively involved in formulating business transformation strategies, exploring new and innovative technology to develop value-added services for customers, and promoting energy conservation and renewable energy to combat climate change.

The Department is honourable to recognize him with this award.

The Outstanding BSE Alumni Award Presentation will be held at Departmental Session of 24th Congregation (FCE) and Faculty Prize Presentation Ceremony in the morning of 6 November 2018 (Tuesday).

The Department would like to thank all the Selection Panel members for their excellent volunteer work on the challenging selection process. We look forward to the next round selection for biennial Outstanding BSE Alumni Award.
