### **MEng Student Won 1<sup>st</sup> Prize in National Competition**

The Department of Building Services Engineering (BSE) of The Hong Kong Polytechnic University (PolyU) is pleased to announce that Miss Chen Qingxin, our Master of Engineering in Building Services Engineering (MEng in BSE) student under the supervision of Prof. Deng Shiming, has won the 1<sup>st</sup> prize in the 13<sup>th</sup> Chinese National Competition (South China Region) for college students majoring in Refrigeration and Air-conditioning held in Guangzhou on 21 June 2019.

**1<sup>st</sup> Prize Certificate**

**Miss Chen**

Another two MEng students of Prof. Deng also won 2nd prizes in 2017 and 2018 in the same competition. Quality of teaching and research of BSE keeps shining on the national stage.

BSE would like to take this opportunity to congratulate Miss Chen on her academic success and achievement on winning the prize.
