

## **BSE Alumni Gathering**

In the evening of 18 September 2009, an alumni gathering was successfully organized by the Department of Building Services Engineering (BSE) and the Alumni Association of Building Services Engineering (AABSE).

Commenced at 6:30 pm on last Friday, the gathering was well attended at BSE meeting room FJ704 by over 30 alumni coming from various cohorts of BSE graduates. After introducing the departmental management team of BSE and its latest development, the alumni were briefed about the objectives of AABSE, its recent development and some planned activities in the near future.

Welcome by Prof. Chow

Introduction to AABSE

While enjoying the refreshments, the participants interacted with each other through some games, having the chance to reunite with their classmates as well as getting to know some new friends among the alumni. By the end of the gathering, they actively shared their views on the future development of AABSE and enthusiastically joined as AABSE members. A full evening of fun and laughter concluded at around 9:00 pm.

Happy Gathering

AABSE Committee Members
