Yusuf holds a BSc in Urban and Regional Planning from the prestigious University of Lagos, Nigeria in 2012 with First Class Honours. Thereafter, he got the King Fahd University of Petroleum and Minerals Graduate Scholarship from Saudi Arabia in 2014 to study City and Regional Planning. In 2017 he obtained his Master of City and Regional Planning (MCRP) from the renowned King Fahd University of Petroleum and Minerals. During his undergraduate studies from 2008 to 2012, he annually received the University of Lagos Scholar Endowment Scholarship. He was also awarded the Acorn Educational Foundation Scholarship from 2009 to 2012. He won several awards as the best student in the Department of Urban and Regional Planning from the Urban and Regional Planning Students' Association (URPSA) and Faculty of Environmental Sciences Students' Association (FESSA) during his undergraduate. During the University of Lagos Convocation Ceremony in 2013, he won the Head of Department's Prize and the Urban and Regional Planning Best Graduating Student. In September 2017, he joined the Department of Building and Real Estate of The Hong Kong Polytechnic University as a PhD student and a recipient of the International Postgraduate Studentship (IPS) award.
