

Outstanding Alumni Award of PolyU BRE 2025 Department Award

The Award

The Outstanding PolyU Alumni Award is organised at three levels to promote championship of recognition and engagement of alumni at Department, Faculty/School and University levels.

Established in the 1930s, as part of its ongoing commitment, the Department of Building and Real Estate (BRE) of The Hong Kong Polytechnic University (PolyU) has been offering a selection of comprehensive academic programmes to nurture preferred graduates for the construction and real estate industry. Our alumni have excelled in their professions in the region and beyond. The Outstanding Alumni Award of PolyU BRE (formerly named ‘the Outstanding BRE Alumni Award’) aims to give public recognition to outstanding graduates of the Department for their distinguished accomplishments in their professions and staunch contributions to the community, PolyU and BRE.

Nominations for **Outstanding Alumni Award of PolyU Department of Building and Real Estate (BRE)** are now invited for submission.
