- Remarks**
- When students completed the required credits for graduation, a free copy of transcript will be despatched to their correspondence addresses one month after the announcement of examination results. If students need to get the transcript of studies before the free copy is received, they may apply for one on a paid basis by completing form AS3 which can be obtained from the AS homepage.
 - Students with graduation status confirmed on or before 15 March & 30 September will receive their award parchment in late March/early April & late October/early November respectively.
 - The duration of dissertation normally lasts for 2 regular semesters (with summer term being exceptional). Students should seek prior approval from their Programme Leader and supervisor if they intended to apply for early submission of dissertation.
 - The listed progression plans do not include cases of credit transfer, deferment of study, zero subject enrolment and change of study status (FP/F1). The period of deferment of study does not count towards the maximum period of registration (i.e. 3 years for part-time, 5 years for full-time).
 - As there are many possible combinations of study pattern (especially for part-time), the above table only lists out some progression plans for students' reference.
 - The above study plans are applicable to the programmes with graduation requirement of 30 credits. Graduation requirement for MAJMC and MACLL(TNCS) are 33 and 39 credits respectively.
