

Subject Code	CBS4638
Subject Title	Advanced Korean II
Credit Value	3
Level	4
Pre-requisite / Co-requisite/ Exclusion	Pre-requisite: Advanced Korean I or equivalent
Objectives	Students with 195 hours of formal Korean instruction or equivalent will learn to use Korean fluently in various complicated social activities. This subject also covers a wide range of topics on Korean history and culture. Students will learn different styles of writing, read newspapers and discuss current issues in Korea. They will also learn to write reports and academic term papers, surf the Internet and post messages on the web.
Intended Learning Outcomes	Upon completion of the subject, students will be able to: <ul style="list-style-type: none"> a. speak and write in Korean accurately and fluently; b. adapt to Korean culture appropriately when participating in professional activities; c. discuss academic ideas accurately in both spoken and written forms; d. have strong linguistic and socio-cultural competence including various communication strategies to critically and independently prevent/solve interaction problems; and e. develop global outlook, social and leadership skills by fulfilling various tasks. f. have confidence in communicating with others as a social being; and g. develop lifelong language learning skills.
Teaching/Learning Methodology	Brief explanations about the Korean grammatical structure in a communicative context are expanded through various activities and tasks for practice. The mode of teaching and learning is highly interactive, involving students in pair/group work, discussion and language games which require students' cooperation. To create a more authentic environment for the students to experience working interactional skills and intercultural knowledge, guest lecture sessions will be given where native Korean speakers can interact with students on different topics.
