Subject Code	CBS1A26P
Subject Title	Chineses Arts and Life (華藝人生)
Credit Value	3
Level	1
Pre-requisite / Co-requisite / Exclusion	Exclusion GEC1A49P Chineses Arts and Life (華藝人生)
Objectives	This course aims to enable students to comprehend life, human nature, human relationships, personality, self-cultivation, self-awareness, moral enhancement, and harmonious relationship with nature through different Chinese artistic expressions, including visual art, music, dance, drama/opera, literature and film. Some comparisons with non-Chinese arts will be carried out. By cultivating a higher level of critical thinking on human nature, its growth and development through arts, students could learn to reflect upon their own life and personal development.
Intended Learning Outcomes (Note 1)	Upon completion of the subject, students will be able to: <ul style="list-style-type: none"> (a) understand human nature in visual art and performing arts; (b) explore how human relations inspire visual art and performing arts; (c) explore ways to develop a harmonious relationship with one another and with nature; (d) enhance self-awareness in nurturing one's personality and cultivation through arts; (e) develop students' deeper understanding of their Chinese cultural heritage and the contemporary Chinese society (f) improve their literacy skills in reading and writing in Chinese.

Note 1: Intended Learning Outcomes

Intended learning outcomes should state what students should be able to do or attain upon completion of the subject. Subject outcomes are expected to contribute to the attainment of the overall programme outcomes.

Note 2: Subject Synopsis/ Indicative Syllabus

The syllabus should adequately address the intended learning outcomes. At the same time over-crowding of the syllabus should be avoided.

Note 3: Teaching/Learning Methodology

This section should include a brief description of the teaching and learning methods to be employed to facilitate learning, and a justification of how the methods are aligned with the intended learning outcomes of the subject.

Note 4: Assessment Method

This section should include the assessment method(s) to be used and its relative weighting, and indicate which of the subject intended learning outcomes that each method purports to assess. It should also provide a brief explanation of the appropriateness of the assessment methods in assessing the intended learning outcomes.
