

Call for Application for the PhD Studentship in 2019/20 Semester 2 Intake

The Hong Kong Branch of the National Rail Transit Electrification and Automation Engineering Technology Research Center (CNERC-Rail) in The Hong Kong Polytechnic University is calling for applicants for the PhD studentship. The admission date would be January 2020.

Academic Requirement:

- A Master degree containing a significant research component (such as a dissertation), conferred by a recognized university; and
- A Bachelor's degree with First or Second Upper Class Honours from a recognized university
- In exceptional circumstance, applicants with a Bachelor's degree with First Class Honours, or equivalent, may be considered

English Language Requirement:

The requirements for those who do not have a degree for which English was the language of instruction at a recognized university are:

- An overall score of at least 6.5 in the International English Language Testing System (IELTS); OR
- A Test of English as a Foreign Language (TOEFL) score of 80 or above for the Internet-based test or 550 or above for the paper-based test.

All English language test scores are considered valid for five years after the date of the test.

The university will provide studentship package to the successful applicant.
