

Chien Ming WANG 教授来我院做学术交流

2018年10月22日，Chien Ming WANG 来我院进行学术访问。倪一清教授和中心成员，以及本院诸多博士研究生认真听取了 Chien Ming WANG 教授关于“Floating Solutions for Challenges Faced by Humanity”的报告。WANG 教授的方案新颖而富于智慧，通过充分利用海洋，WANG 教授为世界面临的诸多挑战提供了行之有效的解决方案。会后，倪教授等与会人员与WANG 教授就此学术报告进行了深入的交流与讨论。接下来，倪教授邀请了WANG 教授参观了国家轨道中心，并详细介绍了中心近年来在铁路和车辆系统健康监测等领域的主要研究成果及应用

On 22 October 2018, Prof. Chien Ming WANG came to CEE for an academic visit. Prof. Yi-Qing Ni and centre members, as well as many PhD students, attended the seminar of “Floating Solutions for Challenges Faced by Humanity” given by Prof. Chien Ming WANG. The scheme of Prof. Wang is novel and full of wisdom. By fully exploiting the ocean, Prof. Wang provided practical solutions to the challenges of the world. After the meeting, Prof. Ni and other participants held in-depth exchanges and discussions with Prof. Wang on this report. Then Prof. Ni invited professor WANG to visit the national railway centre, and introduced in detail the main research achievements and applications of the centre in the field of health monitoring system of railway and train in recent years.
