

# Public Seminar on "Engineering Applications of Data Science: Spatial Rainfall Characterization & Environment Forensics"

On 17 November 2017, over 50 local participants attended a public Lecture on "Engineering Applications of Data Science: Spatial Rainfall Characterization & Environment Forensics" delivered by Dr. Chin Man "Bill" Mok. The seminar was jointly organized by three institutions, namely, Research Institute for Sustainable Urban Development of The Hong Kong Polytechnic University, National Rail Transit Electrification and Automation Engineering Technology Research Center (Hong Kong Branch), and ASCE Hong Kong Section. Dr. MOK is Vice President and Principal Engineer of GSI Environmental Inc, Oakland, California, USA. He is current Fellow of ASCE, EWRI Fellow, and Rudolf Diesel Fellow of the Technical University of Munich.
