

Visit by Professor David Nethercot, Professor Yeong-Bin Yang

On 28 February 2018. Emeritus Professor of Imperial College London, David Nethercot, and Distinguished Chair Professor of PolyU (also Honorary Dean of Civil Engineering, Chongqing University and Emeritus Professor of Taiwan University), Yeong-Bin Yang paid a visit to CNERC-Rail. CNERC-Rail Director Professor Yi-Qing Ni and Center members Dr. Lu Zhou, Dr. Xiao-Zhou Liu and Dr. Xiao Wang had a short meeting with the visitors with a warm welcome. Dr. Lu Zhou gave a brief presentation of the CNERC-Rail introducing R&D activities and projects conducted by CNERC-Rail and demonstrating how CNERC-Rail is dedicated to the scientific research and technology innovation of China railways, particularly High-Speed Railways.
