

麻省理工学院的机械工程系陈刚教授来访

Visited by Prof. Gang Chen, Mechanical Engineering Department, Massachusetts Institute of Technology (MIT)

2019年1月15日，麻省理工学院的机械工程系陈刚教授来访香港理工大学。香港理工大学协理副校长（科研支援）陈国华教授以及可持续城市发展研究院的代表会见了陈教授。倪教授代表铁路工程香港分中心参加了会晤。倪教授向陈教授介绍了中心最新的研发技术和科研项目，并作了题为“铁路系统的在线监测与损伤诊断”的介绍。随后，倪教授以及香港理工大学土木及环境工程学系黎绍佳助理教授带领陈教授参观铁路工程香港分中心实验室。

On 15th, January 2019, Prof. Gang Chen, Carl Richard Soderberg Professor of Power Engineering; Director of Papalardo Micro and Nano Engineering Laboratories and Solid-State Solar-Thermal Energy Conversion Center from Massachusetts Institute of Technology (MIT) came and visited The Hong Kong Polytechnic University. Prof. Chen was warmly welcomed by Associate Vice President (Research Support) Prof. Guo-hua Chen and academic members of Research Institute for Sustainable Urban Development. During the meeting, Prof. Yi-qing Ni represented CNERC-Rail (Hong Kong Branch) to Prof. Chen, gave a seminar on “Online Monitoring and Damage Diagnosis of Railway Systems” and shared recent achievements and research projects with him. After that, Prof. Chen was invited to visit our center, accompanied by Prof. Yi-qing Ni and Ir Dr. Siu-Kai Lai, Assistant Professor in Department of Civil and Environmental Engineering.
