

## Visit of Cyberport

2021.12.02

Mr. Peter Yan, Chief Executive Officer of Cyberport, led his team to visit CNERC on 2 December 2021. The Delegation Team of Cyberport consisted of:

- Mr. Peter Yan Chief Executive Officer
- Mr. Howard Cheng Chief Operating Officer
- Mr. Will Yu Assistant Project Director
- Ms. Alice So Head of Entrepreneurship
- Mr. Ricky Choi Senior Manager, Smart Living

The Delegation Team visited the Structural Engineering Research Laboratory, Laboratory Y001, of the PolyU, and inspected various research and testing capabilities for large scale structural tests. The Delegation Team was also introduced on a number of research and development projects on high strength S690 and S960 steels.

Prof. Michael Yam , Dr. H. C. Ho , Mr. Howard Cheng , and Ms. Alice So.

The Delegation Team had a discussion on possible collaboration with CNERC.

Prof. K. F. Chung reported to Mr. Peter Yan the latest research activities and achievements of CNERC, in particular:

- Effective use of high strength S690 steels in construction, and their welding technology; and
- Application of high strength S690 steels in civil engineering and building structures.

Mr. Yan and his team expressed interests to collaborate with CNERC on application of innovation technology in construction, in particular, use of high strength steel, robotic welding and modular integrated construction.
