PolyU Experts DIRECTORY 香港理工大學 專家名冊

January 2017 (Eleventh Edition) 二零一七年一月 (第十一版)

Preface

The Hong Kong Polytechnic University keeps its fingers on the pulse of the community. We also encourage our staff members to serve the community by contributing their expertise and knowledge. To facilitate members of the media and the general public to gather information for news reporting or to seek professional advice from our experts in various disciplines and research areas, we first published the PolyU Experts Directory in 2004 with the collective efforts of all faculties, departments and administrative units.

Grouped under six major areas commonly used in media, the directory is classified into General News, Business News, Technology News, Breaking News, Feature News and Others. A separate index is provided, which can serve as a guide to various subject matter.

In view of the rapid development of the University's teaching and research activities, regular updating of the Experts Directory is carried out to ensure the accuracy of information. The Directory is now in its eleventh edition. An online version of the directory is also available for download at URL: [http:// www.polyu.edu.hk/cpa/ExpertsDirectory/](http://www.polyu.edu.hk/cpa/ExpertsDirectory/)

Let us take this opportunity to thank all faculties, departments, learning centres and various administrative units for their efforts in compiling this directory. We look forward to their continued support and inputs, making this directory a comprehensive one.

序 言

香港理工大學一向關注社會需要，並積極鼓勵教職員善用專業知識服務社群，為讓傳媒及公眾人士知悉本校教職員的專業及其研究工作範圍，以便在編採新聞或尋求專業協助時，可以直接與相關專家聯絡，本處在各院系及部門協助下，於二零零四年首次出版《香港理工大學專家名冊》。

名冊內容依傳媒慣用的新聞分類分為時事、商業、科技、突發、副刊／特寫及其他六部分，另設有題目分類索引，方便讀者搜尋相關項目。

由於大學的教學及研究工作發展迅速，本處會定期更新資料，增補內容，至今已刊印第十一版。本刊亦設有網上版本，歡迎下載，詳情請瀏覽網址[http:// www.polyu.edu.hk/cpa/ExpertsDirectory/](http://www.polyu.edu.hk/cpa/ExpertsDirectory/)。

本刊得以順利完成，有賴各學院、學系、教學中心及多個行政部門鼎力支持，謹此致謝，並希望各部門及同事繼續提供資料，使本刊的內容更加充實。
