7 November 2016 (Monday)

7 pm – 8 pm

3 sessions

3/F, Hollywood House, 29 Hollywood Road,  
Central, Hong Kong

Pottery can be shaped by a range of methods; the most common ways are hand-building and wheel throwing. You can try out both methods and decorate your works with glaze in this workshop, which will provide you with a full experience in pottery making. The tutor will also show you some ceramic works and share with you how they can be appreciated.

Ms Aidan Wong is a local ceramic artist who has over 30 years' experience in ceramic art. Her work *Fountain* was selected for the 14<sup>th</sup> Hong Kong Art Biennial Exhibition and is now part of the permanent collection at the Hong Kong Museum of Art.

塑造陶瓷的方法變化萬千，最常見的是手捏和拉坯。在這個課程，你能夠採用上述兩種塑形方法製作陶瓷作品，更可以以釉彩裝飾你的作品。導師黃麗娟女士也會與你分享如何欣賞陶瓷作品。

黃麗娟女士是本地陶藝家，從事陶藝製作逾三十年，作品《噴泉》入選第十四屆香港藝術雙年展，現收藏於香港藝術館。

\* Material fee: \$200

\* The workshop will be conducted in Cantonese, supplemented with English.

# Ms Aidan Wong will host the first two sessions of both classes while tutors Ms Queenie Leung and Ms Samantha Walker will involve in all sessions of Class A and Class B respectively.
