Teaching/Learning Methodology

The lecturer will:

- Present the language through everyday situations (authentic situations).
- Allow students to use their cognitive powers to identify the overall message transmitted through the language used and then analyze it to discover its exact meaning.
- Provide students with material from which they will extract the basic vocabulary to cover their needs at this level. Material to come from real everyday examples.
- Introduce students to different Francophone cultures through contact with real people and events.
- Encourage the use of French as the only language to be used during class.

In addition students will be expected to:

- Attend class and participate.
- Complete the exercises provided by the lecturer to practice new structures introduced in class.
- Read the materials provided to become familiar with the written word (in all its forms), be aware of its different use depending on the source and the recipient and use it as source for new vocabulary.
- Attend events programmed by the lecturer to immerse themselves in French speaking situations.
- Carry out written assignments that might include: essays, blogs, facebook entries

Medium of instruction: English and French
