

Subject Code	ENGL567
Subject Title	Discourse and Management
Credit Value	3
Level	5
Pre-requisite / Co-requisite/ Exclusion	N/A
Objectives	<ol style="list-style-type: none"> 1. To analyse and discuss a range of text-types constructed by management in professional settings. The text-types analysed will include spoken, written, and multimodal texts. 2. To understand and apply theoretical and analytical tools which can be used to understand how language constructed by management and professionals makes meaning. 3. To investigate the discourse of management with a particular focus on the way in which power, status, and identity are construed through choices in the lexico-grammatical features in a range of genres.
Intended Learning Outcomes	<p>Upon completion of the subject, students will be able to:</p> <p>Category A: Professional/academic knowledge and skills</p> <p>Upon completion of the subject, students will be able to:</p> <ol style="list-style-type: none"> a. apply analytical tools to analyse a range of professional and managerial genres to understand how meaning is made b. critically discuss language and meanings made in professional contexts, by investigating the core socio-cultural and professional meanings constructed within managerial discourse c. interpret and understand multimodal texts in a systematic account of what multimodality is in relation to contemporary professional identity. <p>Category B: Attributes for all-roundedness</p> <ol style="list-style-type: none"> d. apply analytical skills studied throughout the subject to their own contexts and professional life. e. reflect and discuss the construction of the discourse of management with respect to the individual, organizational and institutional levels of meaning.
Subject Synopsis	<p>The indicative syllabus will focus on the following areas</p> <ol style="list-style-type: none"> i. Introduction <ul style="list-style-type: none"> • Analysing the discourse of management • The aims of discourse from a management perspective. • Language and the managerial context • What makes a manager? What does a manager do? ii. Discourse & Leadership <ul style="list-style-type: none"> • The importance of interpersonal meaning, power, status, and identity in

	<p>the discourse of management</p> <ul style="list-style-type: none"> • Interpersonal interaction in the organisation • Interpersonal meaning and text –APPRAISAL analysis. The Appraisal framework is a particular approach to exploring, describing and explaining the way language is used to evaluate, to adopt stances, to construct textual personas and to manage interpersonal positioning and relationships <p>iii. Image and the Management of Discourse</p> <ul style="list-style-type: none"> • Analysing multimodal texts and the construction of professional identity through internet and web resources • Tools for analysing image and the construction of meaning <p>iv. Discourse & Conflict Resolution</p> <ul style="list-style-type: none"> • Conflict resolution styles across organisations and culture • How to avoid conflict and not answer questions. 																																	
<p>Teaching/Learning Methodology</p>	<p>Teaching and learning will take the form of input within interactive lectures and seminars. Students will be involved in brainstorming, sharing experiences, leading seminars and presenting case studies which directly relate the theoretical points studied. Students will be expected to read and critically reflect on the readings set. In addition, students will be expected to synthesize knowledge from the reading material, the discussions in class and area of study in the assignments set, which will include an extended academic paper.</p>																																	
<p>Assessment Methods in Alignment with Intended Learning Outcomes</p>	<table border="1" data-bbox="443 969 1481 1361"> <thead> <tr> <th rowspan="2">Specific assessment methods/tasks</th> <th rowspan="2">% weighting</th> <th colspan="5">Intended subject learning outcomes to be assessed</th> </tr> <tr> <th>a</th> <th>b</th> <th>c</th> <th>d</th> <th>e</th> </tr> </thead> <tbody> <tr> <td>1.
