Leanne Zhang

Leanne ZHANG （张思颖） is an Adviser at the BIS Innovation Hub Hong Kong Centre, where she works on wholesale cross-border CBDC projects. Prior to joining the Hub, she was an economist at the Economic Research Division in the Hong Kong Monetary Authority, where her research focused on climate risks, supply chain mapping and the propagation of shocks, and equity pricing. She holds an MPhil in Economics degree from the University of Oxford and an undergraduate degree in Mathematics and Economics from McGill University.
