## DEAN'S MESSAGE

Welcome to the Faculty of Business of PolyU.

The Faculty of Business, known as PolyU Business School (PBS), is a world-class business school that offers top-quality academic programmes and spearheads cutting-edge research in business and related disciplines. We take pride in our accreditations from AACSB International (The Association to Advance Collegiate Schools of Business) and EQUIS (EFMD Quality Improvement System).

Dedicated to the pursuit of *Innovation-driven Education and Scholarship (IDEAS)*, PBS collaborates with stakeholders to create a positive societal impact sustainably, with a focus on Hong Kong and the Greater Bay Area. Through our educational programmes, partnerships, and close connections with industry and the professional community, we aim to share knowledge and technology with the wider community.

Our comprehensive portfolio of undergraduate and postgraduate programmes, many of which are endorsed by professional bodies, encompass key areas such as accounting, aviation, business artificial intelligence, ESG, finance, logistics, management, maritime, marketing, shipping, and transport. Alongside the BBA, MBA, DBA, DBAI, DBM, DFinTech, DMgt, and specialised master's degrees, our research programmes also lead to the MPhil and PhD qualifications.

To maintain currency of our academic programmes and specialist consultancy services, our faculty members conduct pioneering and impactful research within and across their disciplines, supported by our Case Consortium and centres for branding and marketing, digital transformation, economic sustainability and entrepreneurial finance, financial technology, leadership and innovation, maritime data and sustainable development, and shipping and logistics. Our research has been ranked 35th globally in *The UTD Top 100 Worldwide Business School Rankings based on Research Contributions 2020-2024*.

We invite you to become part of our community of over 200 esteemed scholars from around the world, 5,300 students, and 55,000 alumni.

## PROGRAMME DIRECTOR'S MESSAGE

Welcome to the Doctor of Business Management (DBM) programme at The Hong Kong Polytechnic University — a forward-looking doctoral degree designed for young professionals eager to advance their academic journey and shape the future of business through scientific inquiry and innovation.

The DBM is uniquely tailored for **junior professionals** who have recently completed a master's degree and are ready to pursue doctoral-level study before fully entering or advancing in their careers. This early-entry pathway offers a rare opportunity to build deep expertise in business research and leadership, positioning graduates to become “scientific business leaders” from the outset.

Our curriculum is grounded in **applied research and innovation**, equipping students with the analytical tools and methodological rigour to address complex business issues. With a strong emphasis on real-world relevance, the DBM prepares students to contribute meaningfully to tackling contemporary business and management challenges through evidence-based decision-making.

The DBM also offers a rich **international perspective**. Our strategic collaborations with globally renowned institutions such as the International Institute for Management Development (IMD) in Switzerland and the London School of Economics and Political Science (LSE) in London, UK, contribute to the academic rigour of the programme and help develop cross-cultural fluency and leadership capability.

Whether you choose the **full-time or part-time** study mode, you will join a growing community of over 600 alumni and current participants — a network of ambitious professionals committed to excellence in business research and practice. I invite you to embark on this transformative academic journey and become part of a new generation of leaders shaping the future of business management.

**Prof. Katherine Feng**  
DBM Programme Director  
Assistant Dean (External Relations), Faculty of Business  
Associate Professor, Department of Management and Marketing

## WHY POLYU DBM

- Earn a professional doctorate immediately after completing a master's degree, before embarking on your chosen career path
- Become a young “scholar-leader” who can apply scientific approaches and business domain knowledge to tackle real-world business and management challenges
- Choose your preferred study mode: 2 years full-time or 3 years part-time
- Become part of an elite network of over 600 alumni and students

## INTERNATIONAL COLLABORATIONS

To enhance the international perspective and academic vigour of the programme, collaborations have been established with the International Institute for Management Development (IMD) in Switzerland and the London School of Economics and Political Science (LSE) in London, UK.

IMD was ranked in the top 10 for both open and custom programmes worldwide in the 2024 Financial Times Executive Education ranking.

LSE was ranked third in Europe and sixth in the world in social sciences and management subjects in the QS World University Rankings by Subject 2025.

## PROGRAMME DETAILS

### Objectives

The programme aims to educate junior professionals eager to advance their academic journey before establishing their careers as “scientific business leaders” within the industry. The programme will specifically equip students with solid scientific skills and business domain knowledge, enabling them to conduct applied research across various business disciplines, solve real-world business and management problems, drive innovation, and establish themselves as “scientific business leaders” in their fields.

On completion of the programme, students will be able to advance their knowledge, skills and intellectual abilities as defined in the broad learning outcomes which are underpinned by specific learning objectives below:

*i. Applied Research and Innovation*

Learning Objective: Sharpen students' ability to conduct applied research and innovation by critically applying knowledge and scientific skills within their academic discipline and formulating sophisticated solutions as critical thinkers.

*ii. General Business Domain Knowledge*

Learning Objective: Broaden, update, and deepen students' understanding of fundamental business domain knowledge, cultivating a forward-thinking mindset that embraces artificial intelligence as a transformative force.

*iii. Socially Responsible and Resilient Leaders*

Learning Objective: Develop socially responsible and ethically aware future scientific business leaders within a lifelong learning environment.

## Mode & Duration

PolyU DBM is a mixed-mode programme. Students may pursue their DBM studies with either a full-time study load (taking 9 credits or more in a semester) or a part-time study load (normally taking less than 9 credits in a semester).

The normal duration for DBM full-time study option is 2 years and 3 years for DBM part-time study option. Students who wish to extend their studies beyond the normal duration should submit an application to the Faculty of Business for consideration.

Students are required to complete 52 credits including 25 credits of Coursework, 2 DBM Residentials (1 credit for Residential 1 and 2 credits for Residential 2) and a DBM Thesis (8 credits for Thesis I and 16 credits for Thesis II).

There is a possible exit award of Master of Science in Management Research Studies (MSc in MRS) for students who have completed 25 credits of Coursework Subjects, 3 credits of two compulsory Residentials, and passed the 8 credits of Thesis I (thesis proposal presentation) (a total of 36 credits).

## Medium of Instruction

English

## Structure

To be eligible for the Doctor of Business Management award, students are required to meet all requirements of the University and the programme. The programme requirement is as follows:

- ▶ 25 credits of Coursework:
  - ▶ Academic Integrity and Ethics in Business (1 credit)
  - ▶ 1 Compulsory Subject (3 credits) and 6 Compulsory Subjects (1 credit each) on “Frontier Research” Topics
  - ▶ 1 Core Subject (3 credits)
  - ▶ 4 Elective Subjects (3 credits each)
- ▶ 3 credits of Residentials: Residential 1 (1 credit) and Residential 2 (2 credits)
- ▶ 24 credits of Thesis: Thesis I (8 credits) and Thesis II (16 credits)

All taught subjects are at an advanced level, and students are assumed to have prior knowledge of each subject area.

The normal duration for the DBM Thesis is 12 months for full-time students and 18 months for part-time students. The two DBM Residentials include one scheduled at the start of the programme and the other at the beginning of the DBM Thesis phase for respective full-time and part-time students.

In addition, the curriculum includes technological content such as data analytics tools, digital technology in the business world, the impact of technology and AI on leadership, and qualitative and experimental designs related to AI and entrepreneurship research.
