About the Speaker

Prof. Ding Lieyun is a member of the Chinese Academy of Engineering at Huazhong University of Science and Technology. His research interests include information technologies in construction management and safety control, particularly with respect to visualization and automated construction. Professor Ding is the Director of the Management Division of the Science and Technology Committee of the Education Ministry, the Chairman of the Architectural Society of China Construction Management Research Sector (ASC-CMRS), the Director of National Board of Construction Management Accreditation and the Deputy Director of the Management Science and Engineering Teaching Steering Committee in the Education Ministry. He is also the Editor-in-Chief of the Journal of Civil Engineering and Management (published in Chinese) and an editor of Automation in Construction and the Journal of Civil Engineering and Management (published by Taylor & Francis).

All Interested Are Welcome

f HK PolyU - Faculty of Construction and Environment

Tel: 3400-3406 | Email: mickey.pat@polyu.edu.hk

**Registration**

- Free of Charge
- An attendance certificate will be issued to each registered participant.
- Priority will be given to current members of the Alumni Associations under the Faculty of Construction and Environment. Please send a copy of your membership card to mickey.pat@polyu.edu.hk for verification.
- Applicants (including members of Alumni Associations) with confirmed registration who fail to turn up may have a lower priority in the registration for future Faculty events.

- By registering for the lecture, it is understood that you have agreed to the following terms and conditions:
- Please note that both the start and the end of the lecture may be delayed (including the Q & A time). The Faculty will only distribute certificates to participants after the lecture is over as signified by the presentation of a souvenir to the speaker. Certificates of attendance will only be provided to participants if they stay for the whole lecture.
 - Certificates of attendance will not be provided to participants who are late for more than 10 minutes, or leave before the lecture is finished.
 - The Faculty reserves the right of final decision in any disputes over the issuance of certificates of attendance.
