

**Two days**

# University Experience Programme (TUE)

## “From Physics and ICT to Engineering”

Code: 19TUE01

Thank you for your interests on this Summer Programme.  
19TUE01 registration has been FULL now.  
Confirmation will be sent in May.

**Target Participants:**  
Secondary 5 students  
[taking Science, ICT or M1/M2 subject(s)]

**Date:**  
**23<sup>rd</sup> – 24<sup>th</sup> July 2019 (Tue-Wed)**

Code: 19TUE02

Thank you for your interests on this Summer Programme.  
19TUE02 registration has been FULL now.  
Confirmation has been sent.

**Target Participants:**  
Secondary 5 or 4 students  
[taking Science, ICT or M1/M2 subject(s)]

**Date:**  
**30<sup>th</sup> – 31<sup>st</sup> July 2019 (Tue-Wed)**

### Bad Weather Arrangements

The programme will be cancelled without prior notice when classes are suspended in case of tropical cyclones or heavy persistent rain as announced by the Education Bureau by 6:30 am on the programme day. If the programme cannot be conducted as scheduled due to bad weather, you will be informed of the follow-up arrangements in due course.

A valuable opportunity to attend University lectures

New insights on Science, ICT and M1 / M2 subjects

An experience to complete an engineering project

**Participants will get:**

A certificate of attendance upon successful completion of the programme

A chance to visit engineering laboratory facilities

And if applicable, a certificate of merit for outstanding assignment

University lectures on Engineering applications

Engineering skill-based projects

### Programme fee\*:

HK\$150 (covers lunch coupons and activity expenses)  
(\*School principals can send in recommendations waiving the programme fee for students in need.)

### Medium of instruction:

Cantonese / English  
(supplemented with English handouts)

**No. of places:**  
200 for 19TUE01  
200 for 19TUE02
