

Subject Code	FH604
Subject Title	Pro-seminar on Applied Language Science for DALs Students
Credit Value	Non-credit bearing
Level	6
Pre-requisite/ Co-requisite/ Exclusion	/
Objectives	This subject aims to broaden students' views and experience on research issues and paradigms by engaging in a series of seminars/talks/workshops on different research topics related to applied language sciences. These opportunities encourage students to actively engage in academic communication on cutting-edge studies and hone their ability to understand and carry out empirical research and keep abreast with the latest research on their interested research areas.
Intended Learning Outcomes <i>(Note 1)</i>	Upon completion of the subject, students will be able to: • be familiar with the format and discourse features of academic talks • gain knowledge about the latest research on their interested topics • apply knowledge and skills they have learned to their own research • incorporate presentation skills in their own talks
Subject Synopsis/ Indicative Syllabus <i>(Note 2)</i>	N/A
