

Hong Kong is where the world comes for business, arts, culture and innovation. Right on the doorstep of Chinese Mainland and just a short flight from South-East Asia's most celebrated destinations. Hong Kong's buzzing metropolitan heart, breathtaking natural beauty and international culture represent a well-balanced ancient traditions and modern life. It is our pride to call Hong Kong the "Asia World City".

OPPORTUNITIES @PolyU

Exchange students have ample opportunities to go beyond your study and discover the opportunities to make your time at PolyU as rewarding as possible:

PolyU International Summer School

It is a 4-week programme at PolyU to provide an international exchange experience. A wide range of credit-bearing subjects are available. Field trips at Hong Kong, Taiwan or Chinese Mainland provide an additional opportunity for cultural exchange. Accommodation is guaranteed. Buddy programme pairs incoming students with PolyU students to get the most out of living in Hong Kong and PolyU.

Service-Learning

An experiential learning module that integrates community service with academic study which assist students in making social impactful changes.

* 6th in QS Top 50 Under 50 Ranking 2021

Terrence Chai #engineering The best part about being an exchange student is getting to experience hiking up mountains with my favorite friends and trying different cuisines with them. I also get to meet people from various nationalities and races and it is really interesting to hear about a country from the viewpoint of a local.
