Hong Kong is where the world comes for business, arts, culture and innovation. Right on the doorstep of Chinese Mainland and just a short flight from Southeast Asia’s most celebrated destinations. Hong Kong’s buzzing metropolitan heart, breathtaking natural beauty and international culture represent a well-balanced ancient traditions and modern life. It is our pride to call Hong Kong the “Asia’s World City”.

Nearly 60% of apparel production takes place in Asia. As the best part of the world, I'd love to experience the lifestyle, technology and culture of Hong Kong, which is really interesting to hear about a country from the viewpoint of a local.
