STUDENT EXCHANGE @ POLYU
Hong Kong is where the world comes for business, arts, culture and innovation. Right on the doorstep of Chinese Mainland and just a short flight from South-East Asia’s most celebrated destinations, Hong Kong’s buzzing metropolitan heart breathing natural beauty and international culture represent a well-balanced ancient traditions and modern life. It is our pride to call Hong Kong the “Asia’s World City”.

One of Asia Pacific’s leading design and innovation centres

Official languages English and Chinese

Gateway to Chinese Mainland

International Financial Centre

3rd in Personal Security*

Over 7 million people

*Safe Cities Index 2019
The Hong Kong Polytechnic University is ideally located in the heart of Hong Kong. It is ranked 75th in the QS world University Rankings 2021. It is renowned for its spirit of determination and for providing students with global perspectives and opportunities in keeping with a vision of "Opening Minds - Shaping the Future".

**OPPORTUNITIES @PolyU**

Exchange students have ample opportunities to go beyond your study and discover the opportunities to make your time at PolyU as rewarding as possible:

**PolyU International Summer School**

It is a 6-week programme at PolyU to provide an international exchange experience. A wide range of credit-bearing subjects are available. Field trips at Hong Kong, Taiwan or Chinese Mainland provide an additional opportunity for cultural exchange. Accommodation is guaranteed. Buddy programme pairs incoming students with PolyU students to get the most out of living in Hong Kong and PolyU.

**Service-Learning**

An experiential learning module that integrates community service with academic study which assist students in making social impactful changes.

Terrence Cheung: The best part about being an exchange student is getting to experience living in a brand new city with new friends and trying different cultures with them. I also get to meet people from different nationalities and races and it is really interesting to hear about countries from the viewpoint of a local.
