

Recycle Unwanted Items

CLOTHING WITH CORPORATE LOGO

St James' Settlement's COME provides a charged service to upcycle your unwanted fabrics into other useful products, e.g. cushions or bags. You can contact them directly to arrange. Details of their services and samples of the upcycled products can be viewed at

- <https://come.sjs.org.hk/土作-時分/>
- <https://come.sjs.org.hk/巧縫作物/>

H&M has a non-profit-making campaign to collect second-hand/unwanted clothing. You can drop off your textiles in any H&M stores. For each kilogram of textiles collected, H&M will donate 0,02 Euro to UNICEF Hong Kong.

POLYFOAMS

Missing Link - Polyfoam Recycling Scheme provides Polyfoam collection and recycling service. If you need to dispose of a considerably large amount of Polyfoams, please store them with care and contact Missing Link directly to arrange. Or you can talk to CSO for advice.

TONER & INK CARTRIDGES

Friends of the Earth (HK) and **Greeners Action** have their toner and ink cartridges collection programmes. The cartridges will be refilled or recycled depending on their conditions.

- <https://goo.gl/474bW2>
- <https://goo.gl/yBENU9>

Companies like Canon, Fuji Xerox or HP have their own recycling programme on specific printing consumables. You may also wish to contact them to discuss and arrange the return of empty toner cartridges.

ELECTRICAL APPLIANCES

ALBA Integrated Waste Solutions (Hong Kong) Limited provides an E-Waste collection service. The target electrical appliances for the collection are Regulated Electrical Equipment (REE)*. Functional electrical items will be refurbished and donated to deserving families while computers and non-functional electrical items will be dismantled and recycled.

- <http://www.weee.com.hk/CollectionRequest.php>

* REE includes computers, printers, scanners, monitors, television, washing machines, refrigerators and air conditioners.
