LABORATORY FOR ARTIFICIAL INTELLIGENCE IN DESIGN LIMITED

Post Specification

Postdoctoral Fellow / Research Associate / Research Assistant (six posts)
(Ref. No.: AiDLab/RP3-4/R047-R052)
[Appointment period: each for twenty-four months]

Duties

The appointees will assist the project leader in the research project – "Intelligent inspection system for fashion and textile manufacturing process".

Qualifications

Applicants for the **Postdoctoral Fellow** post should have a PhD degree in Computer Science, Engineering, Fashion and Textiles or other related disciplines, and must have no more than five years of post-qualification experience at the time of application.

Applicants for the **Research Associate** post should have a master's degree in one of the afore-mentioned or other related disciplines with three or more years of research/relevant work experience.

Applicants for the **Research Assistant** post should have an honours degree in one of the afore-mentioned or other related disciplines.

For **all posts**, applicants should also have strong knowledge and track record of pattern recognition, image processing, deep learning, or other related disciplines.

Applicants are invited to contact Prof. Calvin Wong at tel no. 2766 6471 or email calvin.wong@polyu.edu.hk for further information. Please return the completed application form, together with a detailed curriculum vitae, to the AiDLab by email to career@aidlab.hk . Application form can be downloaded from here.

Remuneration

A highly competitive remuneration package will be offered. Applicants should state their current and expected salary in the application.
