LABORATORY FOR ARTIFICIAL INTELLIGENCE IN DESIGN LIMITED

Post Specification

(1) **Postdoctoral Fellow** (Ref. No.: AiDlab/RP2-4/R071)
[Appointment period: six to twelve months initially, with possibility of further appointment]

(2) **Research Associate** (Ref. No.: AiDlab/ RP2-4/R072)
[Appointment period: six to twelve months initially, with possibility of further appointment]

Duties

The appointees will assist the project leader in the research project – "Human-centered AI design".

Qualifications

Applicants for the **Postdoctoral Fellow** post should have a PhD degree in Computer Science, Engineering, Science or other related disciplines, and must have no more than five years of post-qualification experience at the time of application.

Applicants for the **Research Associate** post should have a master's degree in one of the afore-mentioned or other related disciplines.

For **all posts**, applicants should also have:

(a) expertise in artificial intelligence, deep learning, generative model, computer vision and image processing; and

(b) good English writing skill and a good publication track record.

Preference will be given to those who have published relevant work in CVPR, ICLR, ICCV, *etc*.

Applicants are invited to contact Dr Pan Wang at email panwang@polyu.edu.hk for further information. Please return the completed application form, together with a detailed curriculum vitae, to the AiDLab by email to career@aidlab.hk . Application form can be downloaded from [here](#).

Remuneration

A highly competitive remuneration package will be offered. Applicants should state their current and expected salary in the application.
