

CENTRE FOR EYE AND VISION RESEARCH LIMITED

Centre for Eye and Vision Research Limited (CEVR) is a research collaboration between The Hong Kong Polytechnic University (PolyU) and the University of Waterloo (UW) in Canada. It will be located at the Hong Kong Science Park, New Territories, Hong Kong. It will be the first global hub performing ground-breaking research in five key areas – myopia and eye growth, ocular drug discovery and delivery, vision enhancement, tear film and ocular surface and advanced optometric technology. The mission of CEVR is to generate technologies to prevent vision loss in the aging population and preserve healthy vision.

(1) Postdoctoral Fellow (Ref. No.: CEVR-R049)

[Appointment period: twelve months initially, with possibility of further appointment]

(2) Research Assistant (Ref. No.: CEVR-R050)

[Appointment period: twelve months initially, with possibility of further appointment]

Duties

The appointees will assist the project leaders in the research project – “Preventative effects of physical exercise on retinal degeneration in retinal pigmentosa and its mechanisms”.

Qualifications

Applicants for the **Postdoctoral Fellow** post should have a doctoral degree or an equivalent qualification in Neuroscience, Biological Sciences or other related disciplines, and must have no more than five years of post-qualification experience at the time of application. Applicants should also have a good command of both written and spoken English. Preference will be given to those with research experience in retinal research, animal behavioural tests or molecular assays.

Applicants for the **Research Assistant** post should have an honours degree or above in one of the said disciplines.

Applicants are invited to contact Dr Bin Lin at tel no. 2766 6101 or email b.lin@polyu.edu.hk or Dr Sonata Suk-Yu Yau at tel no. 2766 4890 or email sonata.yau@polyu.edu.hk for further information.

Remuneration

A highly competitive remuneration package will be offered. Applicants should state their current and expected salary in the application.
