

PolyU Technology and Consultancy Company Limited (PTeC) is the wholly owned strategic professional service arm of The Hong Kong Polytechnic University (PolyU). We facilitate knowledge transfer of PolyU's academic expertise to external organizations and the wider community through consultancy, contract research, professional development programmes and licensing of PolyU's intellectual properties, to drive change and make a direct impact on society.

Post Specification

Research Assistant (Full-time/Part-time)

[Appointment period: up to 10 months]

Duties

The appointee will assist the project leader from the Department of Food Science and Nutrition, PolyU in the consultancy project "Provision of Service for Development of Sustainable and Functional Fish Feed for Fish Health Enhancement". He/she will be required to:

- (a) perform fish feeding experiments on site;
- (b) record data daily and report back to project leader
- (c) transport experimental materials between PolyU and field site
- (d) perform other relevant duties as assigned by the project leader or his delegates.

Qualifications

Applicants should:

- (a) have an honours degree in science or related disciplines;
- (b) have a good command of both written and spoken English and Chinese;
- (c) have computer literacy including MS Word and MS Excel, preferably with knowledge with statistical software, such as SPSS or GraphPad Prism;
- (d) be self-motivated and have a strong sense of responsibility and
- (e) be a good team player and able to work independently.

Preference will be given to those with fish research/handling experience and be able to work in the field.

Applicants are invited to contact Dr. Kevin Kwok at Tel No. 34008687 or email kwh.kwok@polyu.edu.hk for further information.
