

PolyU Technology and Consultancy Company Limited (PTeC) is the wholly owned strategic professional service arm of The Hong Kong Polytechnic University (PolyU). We facilitate knowledge transfer of PolyU's academic expertise to external organizations and the wider community through consultancy, contract research, professional development programmes and licensing of PolyU's intellectual properties, to drive change and make a direct impact on society.

Post Specification

Research Assistant (2 posts)

[Appointment period: 6-12 months initially, with possibility of further appointment]

Duties

The appointee will assist the project leader from the Department of Computing, PolyU in the consultancy project "Advancing the Effectiveness and Efficiency of Smart Contract Vulnerability Discovery". He/she will be required to:

- a) Assist in tasks related to smart contract vulnerability detection;
- b) Collect data, analyse and assist with report preparation;
- c) Perform other relevant duties as assigned by the project leader or his delegates.

Qualifications

Applicants should:

- a) Have an honours degree;
- b) Have knowledge in writing academic papers;
- c) Be able to work independently and meet the work schedule.

Remuneration

A highly competitive remuneration package will be offered. Applicants should state their current and expected salary in the application.

Application

Applicants are invited to send their CV and covering letter to human.resources@polyu.edu.hk for review and consideration by the Project Leader. Recruitment will continue until the positions are filled. Details of PTeC's Personal Information Collection Statement for recruitment can be found [here](#).
