

THE HONG KONG POLYTECHNIC UNIVERSITY

DEPARTMENT OF REHABILITATION SCIENCES

Post Specification

Scientific Officer (Ref. 22012002-IE)

Duties

The appointee will be required to:

- (a) develop scientific and technical platforms for meeting the needs of research development of the Department;
- (b) participate in devising research grant proposals and carrying out research projects in the area of assistive and biomedical technology;
- (c) provide technical advice and consultation on rehabilitation technology to staff and students;
- (d) assist in conducting research, analysing data and publishing research findings in assistive and biomedical technology;
- (e) assist in conducting experiments and managing laboratories in assistive and biomedical technology;
- (f) assist in administering and coordinating research and consultancy projects funded by Innovative and Technology Fund (ITF) or in the area of assistive and biomedical technology approved at a departmental level;
- (g) develop research protocols and data management system for studies in rehabilitation technology;
- (h) assist in teaching and delivering lectures and tutorials related to rehabilitation technology in the Department; and
- (i) perform any other duties as assigned by the Head of Department or his delegates.

Qualifications

Applicants should have:

- (a) a master's degree or above in Biomedical Sciences, Biomedical Engineering or a discipline related to Rehabilitation Engineering;
- (b) expertise and commitment to excellence in an area pertinent to the development of research in rehabilitation technology;
- (c) at least five years of relevant post-qualification working experience;
- (d) good teamwork and interpersonal skills; and

(e) a good command of English and Chinese.

Remuneration and Conditions of Service

A highly competitive remuneration package will be offered. Initial appointment will be on a fixed-term gratuity-bearing contract. Re-engagement thereafter is subject to mutual agreement. Applicants should state their current and expected salary in the application.

Application

Please send a completed application form by post to **Human Resources Office, 13/F, Li Ka Shing Tower, The Hong Kong Polytechnic University, Hung Hom, Kowloon, Hong Kong** or via email to hrstaff@polyu.edu.hk. Application forms can be downloaded from https://www.polyu.edu.hk/hro/careers/guidelines_and_forms/forms. If a separate curriculum vitae is to be provided, please still complete the application form which will help speed up the recruitment process. **Consideration of applications will commence on 3 February 2022 until the position is filled.** The University's Personal Information Collection Statement for recruitment can be found at https://www.polyu.edu.hk/hro/careers/guidelines_and_forms/pics_for_recruitment.
