

THE HONG KONG POLYTECHNIC UNIVERSITY

DEPARTMENT OF INDUSTRIAL AND SYSTEMS ENGINEERING

Post Specification

Postdoctoral Fellow (Ref. 22033102)
[Appointment period: nine months]

Duties

The appointee will assist the project leader in the research project - “Research on the process mechanism and optimization of magnetic field-assisted ultra-precision mass polishing on complex curved surface”.

Qualifications

Applicants should have:

- (a) a doctoral degree or an equivalent qualification and must have no more than five years of post-qualification experience at the time of application; and
- (b) strong research experience in ultra-precision machining/intelligent manufacturing/advanced manufacturing.

Applicants are invited to contact Dr Chunjin Wang at tel no. 3400 3190, fax no. 2362 5267 or email chunjin.wang@polyu.edu.hk for further information.

Remuneration

A highly competitive remuneration package will be offered. Applicants should state their current and expected salary in the application.

Application

Please send a completed application form by post to **Human Resources Office, 13/F, Li Ka Shing Tower, The Hong Kong Polytechnic University, Hung Hom, Kowloon, Hong Kong** or via email to chunjin.wang@polyu.edu.hk. Application forms can be downloaded from https://www.polyu.edu.hk/hro/careers/guidelines_and_forms/forms. If a separate curriculum vitae is to be provided, please still complete the application form which will help speed up the recruitment process. **The closing date for application is Tuesday, 20 September 2022.** Applicants who are not invited to an interview within two months from the closing date should consider their applications unsuccessful. **Applications should be addressed directly to Dr Chunjin Wang (please state Department of Industrial and Systems Engineering on the envelope).** The University’s Personal Information Collection Statement for recruitment can be found at https://www.polyu.edu.hk/hro/careers/guidelines_and_forms/pics_for_recruitment.
