

## THE HONG KONG POLYTECHNIC UNIVERSITY

### DEPARTMENT OF BUILDING AND REAL ESTATE

#### Post Specification

**Postdoctoral Fellow/Research Associate/Research Assistant (three posts) (Ref. 18060114)**  
**[Appointment period: six to twenty months]**

#### Duties

The appointees will assist the project leader in the research project – “Integrated approaches for point-line-plane of heritage conservation in Hong Kong: International experience”. This research study aims to investigate the feasibility of applying the Point-Line-Plane Heritage Conservation approach in Hong Kong from the perspectives of social, cultural, land use planning and political, considerations and to provide policy recommendations for its implementation.

#### Qualifications

Applicants for the **Postdoctoral Fellow** post should have a doctoral degree in Architecture, Urban Planning, Urban Design, Cultural Studies or Archaeology or an equivalent qualification and must have no more than three years of post-qualification experience at the time of application.

Applicants for the **Research Associate** post should have a master’s degree in the above said disciplines.

Applicants for the **Research Assistant** post should have an honours degree in the above said disciplines or an equivalent qualification.

Applicants should also have a good command of both written and spoken English and Chinese. Preference will be given to those with knowledge of using GIS and BIM techniques. Possession of experience in heritage conservation in Hong Kong and/or cities in the Chinese Mainland will be an added advantage.

Applicants are invited to contact Prof. Edwin H.W. Chan at tel. no. 2766 5800 or email [bsedchan@polyu.edu.hk](mailto:bsedchan@polyu.edu.hk) for further information.

#### Remuneration

A highly competitive remuneration package will be offered. Applicants should state their current and expected salary in the application.
