

THE HONG KONG POLYTECHNIC UNIVERSITY

DEPARTMENT OF BUILDING AND REAL ESTATE

Post Specification

Research Associate / Research Assistant (Ref. 18081303)

[Appointment period: six months]

Duties

The appointee will assist the project leader in the research project - “Infrastructure productivity: the breakthrough from technology revolution”.

Qualifications

Applicants for the **Research Associate** post should have a master’s degree or a good honours degree in Architecture, Urban Planning, Urban Design, Cultural Studies or Archaeology with three or more years of research/relevant work experience. Applicants for the **Research Assistant** post should have an honours degree in the said disciplines or an equivalent qualification.

Applicants should also have a good command of both written and spoken English and Chinese. Preference will be given to those with knowledge of using GIS and BIM techniques. Possession of experience in GIS techniques will be an added advantage.

Applicants are invited to contact Dr Michael Sing at tel. no. 3400 8117 or email michael.sing@polyu.edu.hk for further information.

Remuneration

A highly competitive remuneration package will be offered. Applicants should state their current and expected salary in the application.
