

# THE HONG KONG POLYTECHNIC UNIVERSITY

## SCHOOL OF OPTOMETRY

### Post Specification

**Part-time Research Associate (two posts)** (Ref. 19030101)

**[Appointment period: each for twelve months]**

### Duties

The appointees will assist the project leader in the research project – “Development of a smart portable corneal topographer for characterizing corneal shape in young children”. They will be required to:

- (a) design and manufacture the electronic and control system;
- (b) provide administrative support to the project; and
- (c) perform any other duties as assigned by the project leader or his/her delegates.

### Qualifications

Applicants should:

- (a) have a master’s degree or a good honours degree with three or more years of research/relevant work experience;
- (b) have a good command of both written and spoken English and Chinese;
- (c) be self-motivated and show initiative; and
- (d) have good communication skills and willingness to learn.

Applicants are invited to contact Dr Chea-su Kee at tel no. 2766 7941, fax no. 2764 6051 or email [c.kee@polyu.edu.hk](mailto:c.kee@polyu.edu.hk) for further information.

### Remuneration

A highly competitive remuneration package will be offered. Applicants should state their current and expected salary in the application.
