

THE HONG KONG POLYTECHNIC UNIVERSITY

DEPARTMENT OF INDUSTRIAL AND SYSTEMS ENGINEERING

Visiting Lecturer (Part-time) (two posts) (Ref. 19030801)
[Appointment period: from April to December 2019]

Duties

The appointees will be required to assist in organising and delivering activities, such as workshops or tutorials, for the participation of undergraduate students to improve their English language skills covering reading, writing and oral presentation. These activities are expected to engage learners and arouse their interest in this subject.

Qualifications

Applicants should:

- (a) have a PhD degree or a relevant first degree plus a higher degree and/or professional qualification in a relevant discipline and not less than three years of post-qualification teaching/research/practical and/or industrial experience;
- (b) have native fluency in spoken and written English, and an excellent ability in the use of English; and
- (c) be able to work independently and proactively.

Preference will be given to those with an understanding of university education in engineering-related disciplines.

Remuneration

The remuneration rate is HK\$830 per hour.
