

THE HONG KONG POLYTECHNIC UNIVERSITY

DEPARTMENT OF HEALTH TECHNOLOGY AND INFORMATICS

Post Specification

Senior Clinical Associate / Clinical Associate (Ref. 19032201)

Duties

The appointee will be required to:

- (a) teach undergraduate/postgraduate courses and supervise students in their clinical training;
- (b) perform other teaching support functions such as supervising students in projects and seminars;
- (c) carry out administrative duties relating to clinical training and programme operation; and
- (d) perform any other duties as assigned by the Head of Department or his/her delegates.

Those appointed at **Senior Clinical Associate** level will be required to provide leadership in teaching such as curriculum design and administration.

Qualifications

Applicants should have:

- (a) a higher degree in Medical Laboratory Science, Biomedical Science, Biochemistry, Molecular Technology;
- (b) a qualification registrable with the Medical Laboratory Technologists Board of the HKSAR; and
- (c) not less than nine years of post-registration experience in Clinical Chemistry for the post of **Senior Clinical Associate** and not less than five years of the said experience for the post of **Clinical Associate**.

Remuneration and Conditions of Service

A highly competitive remuneration package will be offered. Initial appointment will be on a fixed-term gratuity-bearing contract. Re-engagement thereafter is subject to mutual agreement. Applicants should state their current and expected salary in the application.
