

THE HONG KONG POLYTECHNIC UNIVERSITY

DEPARTMENT OF INDUSTRIAL AND SYSTEMS ENGINEERING

Visiting Lecturer (Part-time) (Ref. 19050708)

[Appointment period: from September 2019 to December 2019]

Duties

The appointee will be required to teach an undergraduate subject on “Fleet and Flight Management”. In addition to classroom teaching, the appointee will also be required to develop relevant course materials.

Qualifications

Applicants should have a PhD degree or a relevant first degree plus a higher degree and/or professional qualification in a relevant discipline and not less than ten years of post-qualification teaching/research/practical and/or industrial experience. Applicants should also have excellent knowledge in fleet and flight management, especially on topics such as airline planning, fleet assignment, aircraft rotation planning, and crew assignment. Preference will be given to those with rich aviation-related experience.

Remuneration

The remuneration rate is HK\$830 per hour.
