

# THE HONG KONG POLYTECHNIC UNIVERSITY

## SCHOOL OF OPTOMETRY

### Post Specification

**Research Associate / Research Assistant** (Ref. 19073101)

**[Appointment period: twelve months initially, with possibility of further appointment]**

### Duties

The appointee will assist the project leader in the research project – “What are the preferred financial incentives to promote preventive care?”. He/She will be required to:

- (a) assist in conducting literature review;
- (b) participate in qualitative study;
- (c) participate in subject recruitment;
- (d) conduct surveys and data entry; and
- (e) perform any other duties as assigned by the project leader or his/her delegates.

### Qualifications

For the **Research Associate** post, applicants should have a master’s degree in Public Health, Social Science, Psychology, Health Economics or other related disciplines or a good honours degree in one of the said disciplines with three or more years of research/relevant work experience.

For the **Research Assistant** post, applicants should have an honours degree in one of the said disciplines or an equivalent qualification.

Applicants should also have:

- (a) a good command of both written and spoken English and Chinese; and
- (b) good communication skills.

Preference will be given to those with experience in qualitative study or questionnaire-based survey.

Applicants are invited to contact Dr Tina Lian at tel no. 2766 6341, fax no. 2764 6051 or email [jinxiao.lian@polyu.edu.hk](mailto:jinxiao.lian@polyu.edu.hk) for further information.

### Remuneration

A highly competitive remuneration package will be offered. Applicants should state their current and expected salary in the application.

*PolyU is an equal opportunity employer committed to diversity and inclusivity. All qualified applicants will receive consideration for employment without regard to gender, ethnicity, nationality, family status or physical or mental disabilities.*
