

**THE HONG KONG POLYTECHNIC UNIVERSITY**

**DEPARTMENT OF REHABILITATION SCIENCES**

**Post Specification**

**Part-time Physiotherapist II (Ref. 20093004)**

**[Appointment period: six months]**

**Duties**

The appointee will assist the project leader in the research project – “The role of integrated cognitive and balance (dual-task) training in balance and fall risk in individuals with cerebellar ataxia: A randomized controlled trial”. He/She will be involved in the assessment and treatment of balance problems among people with cerebellar ataxia in Hong Kong. The research will be primarily conducted at the University and if deemed necessary, the appointee may be required to make home visits to supervise the intervention.

**Qualifications**

Applicants should:

- (a) have a bachelor’s degree in Physiotherapy or equivalent; and
- (b) be registered with the Hong Kong Physiotherapists Board and have a valid practising certificate.

Applicants are invited to contact Dr Stanley Winser at tel no. 2766 6746, fax no. 2330 8656 or email [stanley.j.winsler@polyu.edu.hk](mailto:stanley.j.winsler@polyu.edu.hk) for further information.

**Remuneration**

The remuneration rate is HK\$190 per hour.
